DISTRICT 7500 NEWSLETTER

Rotary International

May 1, 2001

Governor's Message

May finds many of us making new commitments as the summer season arrives.

Some of us are planting seeds that will blossom and soon take on new characteristics. Others are busy with many other tasks, but wait! What about Rotary? Now is the perfect time to strengthen and renew friendships that have been quietly resting over the long winter months. The opportunities are endless to help build friendships and enhance our clubs with new members. Now is the time and "You Are The Key".

This month is very special and by the time most of you read this the District Conference will have taken place. It is with great pleasure that I recognize the individuals that have made a commitment of dedication to Rotary that is outstanding.

This year our Vocational Service Award recipient is Susan McFadden from the Lakehurst-Manchester Rotary Club. She truly has used her vocational experiences to help many. Mentoring and helping place others in jobs that otherwise would not have had the opportunity truly defines Vocational Service.

The P.D.G. James M. Davidson Rotary Foundation Award was presented to Bud Umbaugh from the Marlton Rotary Club, for his outstanding commitment of dedication to the Rotary Foundation.

Next came the P.D.G. Michael Kittis Community Service Award, which was presented to Phillip L. Lucas of the Brick Township Rotary Club. Phil's continued

commitment working with residents, communities and service organizations has always been beneficial to all.

As the evening progressed, this year's Rotary theme "Create Awareness Take Action" really fit the next two recipients. The Archie Award was presented to Deputy Governor Nicholas Michals of the Red Bank Rotary Club, for his outstanding commitment of service to the governor.

The next award for "Service Above Self" is unique. It means just that. It is the most prestigious award our district presents to an individual for their outstanding dedicated commitment to serve. It is an honor to announce to you this year's recipient, Deputy Governor Paul Coward. Paul is a member of the Palmyra-Riverton Cinnaminson Rotary Club.

Over the next two months, a special transaction begins to unfold. The old and the new start fertilizing the new seeds. Governor-Elect Jeff needs your support. Just as the flowers continue to blossom, so will your club and district. Why not step up to the plate and share the commitment with him.

Remember ...

"Mankind Is Our Business"

"Create Awareness Take Action"

"Sink Your Teeth Into Rotary"

Karl Drzymala
Governor

The "CONFERENCE CORNER"

The Price of Not Going.... (to conf)

We can say we make a difference
By things we say and do
But more impact is often made
By things we DO NOT DO

"Not go to the Conference"
Is very easy to say
"The Price! It's very costly"
Or "So far out of the way"

So,.... when will you party
and share an idea?
Or make a new friend,
because together you shed a tear?

Ideas are a'many -
you heard all before
But, someone will say the words
that open a new door.

A door to new beginnings,
start with something small.
And with your laugh and energy
you'll sell your idea to them all.

Rotary is fellowship
Together work and fun
But it's YOU who has the master key
To meld the group as one.

International PolioPlus Committee

By the year 2005, Rotary's contributions to the global polio eradication effort will be approximately a half billion dollars. In addition, millions of dollars of "In-kind" and personal contributions have been made by and through local Rotary clubs and districts for polio eradication activities. Of even greater significance has been the huge volunteer army mobilized by Rotary International. Hundreds of thousands of volunteers at the local level are providing support at clinics or mobilizing their communities for immunization or polio eradication activities. More than one million Rotarians worldwide have contributed toward the success of the polio eradication effort to date.

Rotarians and the Rotary Foundation have contributed as of October 1, 2000, over US\$23 million to PolioPlus Partners for social mobilization, laboratory, surveillance and other polio eradication projects.

To date, 122 nations around the world have benefited from PolioPlus grants for polio immunization and eradication efforts.

Rotary is engaged in one specific coalition; that is the coalition to advocate increased contributions by the U.S. Government to global polio eradication. The coalition includes **The Rotary Foundation of R.I., The Task Force for Child Survival and Development, the U.S. Fund for UNICEF, the American Academy of Pediatrics and the March of Dimes Birth Defects Foundation.**

Rotary is the leading non-governmental contributor.

In 1988, 10% of the world's children lived in polio-free countries; as of January 1, 2001, over 60% are living in polio-free countries.

Attn: Surfers (Not the ocean kind)

Rotarians have an increasing opportunity to learn more about Rotary by surfing the Web. Put these web addresses in your "favorites" list:

- www.rotary.org (Rotary International);
- www.rotaryzones31-32.org (Dir. Don's Zones web site);
- www.rotaryleadershipinstitute.org (The Rotary Leadership Institute);
- www.rotaryryla.com (RYLA);
- www.FrankDevlyn.org (Pres. Devlyn)

Most of the above addresses have links to other sites and the Zones site and the Leadership Institute sites have links to district sites in Zones 31-32.

Let's Make Membership Momentum a Priority for the 21st Century!

In 2000-01, RI President Frank J. Devlyn is challenging each club to increase its net membership by five Rotarians.

Do you know a friend, family member, or colleague from your business or profession who has all the qualities of a good Rotarian? If you do, then consider proposing them for membership in your club.

Every Rotarian has the **privilege** and **obligation** of seeking qualified Rotary Club members. In this way, all Rotarians can help their clubs achieve a full representation of the business and professional life of the community. A full roster of dedicated members enhances fellowship and helps a club carry out its worthwhile service projects. Think about the expertise you can add to your club's overall profile. Every new Rotarian brings a range of personal and professional resources that can greatly strengthen your club's ability to serve throughout the community and the world.

General qualifications: Rotarians are adults of good character and good business or professional reputation, who hold or have held an executive position with discretionary authority in any worthy and recognized business or profession.

Active membership: Active members must meet the above qualifications, as well as live or work within the club's territory; within the corporate limits of the city in which the club is located; within the territory of an immediately adjoining club; or within an immediately adjoining community not in any club's territory.

Additional Active Members can include members with the same classification as the proposer, former Rotarians, or former Rotaractors.

Other types of membership include senior active, past service, and honorary membership. For more details, check with your club's membership chair. Once you have identified a good candidate, fill out the form below and submit it to your club secretary.

Call Name: **Lydia**

TEAM LEADER

Born in New York City, New York, Lydia Blancato has lived in New Jersey since 1972. She holds a Bachelors degree in Business Administration and Communications. Until she retired in 1998, she was Chief Executive Officer of a Blood Center in central New Jersey with over 100 employees. The Center provides blood products and services to 10 area hospitals. She worked at the Blood Center for over 16 years, and has served on the Board of Directors of the Salvation Army and the American Red Cross.

Lydia has been a member of the Red Bank Rotary since 1993. She was the 78th and first woman president of her club, served as vocational service director, and has worked on several club committees. On the district level, she was District Area Representative and served on the Puerto Rico District Conference Committee. She also speaks fluent Italian and has a son who is a computer systems analyst.

Lydia enjoys traveling and has been to China, Italy, Mexico, the West Indies, and recently returned from French Polynesia. Some of her other interests are opera, classic music, dance, film, painting, interior design, and gardening. She has a passion for animals, and is an advocate for school literacy programs, the aging, women's rights, animal rights, and the environment.

Avenel, New Jersey 07001
U.S.A.
Tel: (732) 636-3339
Email: mdbanick@monmouth.edu

Call Name: **Mike**

TEAM MEMBER

Mike was born in Perth Amboy, New Jersey in 1970 and has always called New Jersey home. He graduated with a B.A. in History from Rutgers University in 1996 and worked as a manager for a large department store until 1997, when he began graduate school.

Mike earned his Masters in Library Science from Rutgers School of Communication, Information, and Library Studies in January 1999. While in library school, Mike worked at the research library at Morristown National Historical Park in Morristown, NJ, and the Thomas J. Watson Library at the Metropolitan Museum of Art in New York City. In February 1999 he began working at Monmouth University's Guggenhiem Memorial Library in West Long Branch, NJ where he specializes in reference and instruction, and oversees the special collections and archives. In September 2000, Mike began working on his second masters degree, which will be in business administration.

Mike enjoys music, both listening and performing. He plays the piano for fun and has sung in his church choir for almost ten years. His other interests include reading (his favorite authors are H.L. Mencken and Thomas Harris), miniature book collecting, bicycling, and visiting New York City.

JON-DAVID CAPUANO

Far Hills, New Jersey 07931
U.S.A.
Tel: (908) 719-3379
Email: jdcap@hotmail.com

Call Name: **J D**

TEAM MEMBER

A native of New Jersey, Jon-David Capuano has spent most of his life there. In four and one-half years, he earned two Bachelors degrees at the University of Pittsburgh, Pennsylvania. The first degree was in Business Management and he designed the second by combining courses in Communications, Writing, and Spanish. Jon-David works for Accountants On Call (AOC), a financial staffing agency. As the Internet Recruiting Consultant at AOC, he discovers new ways to use the Internet for marketing, writes advertisements, and recruits accounting and finance professionals.

While attending the university, Jon-David worked for an environmental action group called the Pennsylvania Public Interest Research Group or "PennPIRG". At PennPIRG he helped raise people's awareness about environmental issues, sold organizational memberships, coordinated and delivered press conferences before the TV and newspaper media, and helped a community organization prevent the opening of a

continued

heavily polluting industrial site.

As he focuses on his career, Jon-David wants to continue his involvement in "E-commerce" and the constant evolution of the Internet economy. One of his goals is to work with the Latin America division of a Fortune 500 company, where he would like to work with subsidiaries and clients to innovate new ideas. Additional goals are to teach English in Spain, Italy, Japan and Brazil, and to write fiction for adults and young adults.

Having a passion for learning, understanding different cultures, and meeting new people, Jon-David moved to Spain for nine months in 1998. While there, he studied at the Universidad de Sevilla for five months, worked at a restaurant in one of the most beautiful sections of Sevilla for over three months, and traveled throughout the country for two weeks. Jon-David's personal interests include writing, reading, drawing, traveling, yoga, preventative medicine, environmental preservation, hiking, basketball, dancing, and playing bass guitar.

PETER G. THOMAS

Call Name: **Pete**

TEAM MEMBER

Peter Thomas was born July 14, 1969, in Point Pleasant, New Jersey, to Veronica and Robert Thomas. Peter has a sister Veronica, 29, and a brother Richard, 20, who were born and still live in Point Pleasant. Peter currently lives in Toms River, New Jersey, with his wife of two years, Theresa.

After graduating Point Pleasant Borough High School in 1987, Peter enlisted in the United States Marine Corps. He honorably served in the Marine Corps from 1987 to 1991 with such responsibilities as team leader of the Fleet Anti-Terrorism Security Team. While in the Marine Corps he also completed various Marine Corps Institute programs. Upon completing his duties with the Marine Corps, Peter became an officer with the United Nations Diplomatic Security Service from 1991 to 1997. He is currently employed as a Law Enforcement Officer with the Brick Township Police Department.

Through work experiences, Peter has had the opportunity to travel to many countries including, Egypt, Liberia, Germany, Spain, and Panama. These opportunities have increased his passion to experience other cultures. Peter's recreational interests include running and weight training. He also enjoys listening to various types of music and playing the harmonica for personal entertainment.

BRENDAN T. WEINER

Call Name: **Brendan**

TEAM MEMBER

Born in 1976, Brendan has been a life-long resident of Point Pleasant, New Jersey. He graduated with an Associate's Degree in Liberal Arts from Ocean County College, New Jersey. He received his Bachelor's Degree from Rutgers University, New Brunswick, New Jersey, where he majored in Geography with a minor in Psychology. While attending the university, he was involved with the Rutgers Student Catholic Organization and the New Jersey Public Interest Research Group.

Brendan is working as an elementary school teacher in the Point Pleasant and Toms River, New Jersey school districts. Also, he recently started a part-time career in the modeling industry, and has signed up with the Model Team Model Agency in Ocean Grove, New Jersey. He was in his first runway fashion show at the PNC Arts Center in New Jersey, and looks forward to future modeling work.

Brendan is very athletic and enjoys playing many sports; his favorites are soccer and basketball. His other hobbies include ocean surfing, snowboarding, motorcycling, fishing, and weight training. He is an environmentalist and has worked on many community clean-up projects and fundraisers. Brendan also led a symposium on saving the pristine Alaskan wilderness from oil drilling, and has worked for the Sierra Club.

INBOUND GSE Team

Valkyria de Oliveira Torres
Nurse - GSE Team Leader

I am 27 years old. I was born in Sao Paulo, a city in the southeast of Brazil and one of the biggest cities in the world, where I lived with my family for 13 years.

In 1986, we moved to Caruaru, a city in the State of Pernambuco, in the northeast of Brazil, where my parents spent most of their lives.

I finished high school and, after that, spent 7 years studying at the Federal University of Pernambuco in Recife, the capital of Pernambuco. I got the nursing graduation course and later got the Master's Degree in Biochemistry, when I had the opportunity to study infectious diseases, such as leptospirosis and schistosomiasis.

I realized that I loved research and teaching. I have been working since 1997 as a teacher and researcher at the Federal Center of Technological Education of Pernambuco, located in Pesqueira, a small city 80 Km from Caruaru.

My favorite subjects are neurology and psychiatry and I have been developing a research program on scientific education, co-sponsored by researchers from the Biochemistry Departments of the Federal Universities of Pernambuco and Rio de Janeiro.

Lydia Maria da Costa Cardoso da Silva

English Teacher -
I was born in 1972 in Recife, which is a big city in the northeast of Brazil. Recife is known for its beautiful beaches,

that attract lots of tourists all over the year.

In 1990, I took a one-month English course in England and in the same year I started studying Electronic Engineering at the Federal University of Pernambuco.

In 1991 I passed the First Certificate in English Examination. I soon found out that I really enjoyed teaching English and started working as an English teacher for a language school in 1992. Three years later I began working at Cultura Inglesa, which is one of the biggest language schools in Brazil and where I still work.

I graduated in Electronic Engineering in 1996, but never worked as an engineer.

In 1995 I took another one-month English course at the College of Insurance in New York. I also passed the Cambridge Examination in English for Language Teachers (CELT - 1995) and the Certificate of Proficiency in English Examination (CPE - 1999).

I plan to take a Master's Degree in English, but unfortunately the local universities don't offer it.

Fernanda Silva Pacheco Vilela
Architect

I am 25 years old and I was born in Recife, a pleasant city in the northeast of Brazil.

Recife was built as a port city along tropical, white-sand beaches, lined with palm trees. It is the capital of the northeastern state of Pernambuco. Recife is a fast-growing urban area that has been called the "Venice of Brazil" because it is dissected by numerous waterways and connected by many bridges, but it is especially known for its wonderful beaches that attract lots of tourists all over the year. The city got its name from the coral reefs that line the coast. Its population is around 1,500,000 inhabitants.

I always enjoyed studying, since I was in elementary school and, due to this, I have succeeded well in everything I do. I graduated in architecture and urbanism in 1997 and I have been studying English since 1992. In 1995, I won a prize from a language school and won a one-month English course in USA, when I had the great opportunity to know how people live in Florida, USA.

I really enjoy studying and knowing new things. So, I plan to take a Master's Degree in Architecture, but unfortunately the local universities don't offer it in Recife.

I love reading, learning other languages, listening to music and traveling. I also like going out to cultural events, cinema and theatre, and going to the beach with my family and friends.

I'm sure this group study exchange will be an edifying and unforgettable experience, and I will be really glad to make new friends from New Jersey and show them the best I can about Brazil.

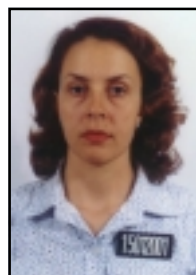

Daniela Maria Calmon Santos
Dentist

I am 27 years old and I have been working as a lieutenant dentist for the Brazilian Air Force since 1999. As a military, I have

been also working for lacking social communities. I have specialization in dentistry (esthetics area).

I lived in Virginia - USA (1991/92) as an exchange student. There I studied and finished my senior year.

I enjoy sports activities, cultural events and traveling.

Valquiria Farias Bezerra
Nurse/Teacher

I am 27 years old. I have been a nurse and teacher of nursing courses in health services and schools for six

years.

I would like to visit and exchange experiences with professionals from health services, such as hospitals, schools or universities that offer nursing courses. I have particular interest in psychiatric and neurological services and assistance.

DISTRICT 7500 WELCOMES NEW MEMBERS:

BRUCE HALLIDAY OF FORKED RIVER and DAWN GERALDI OF ASBURY PARK

Golf Outing

The Medford-Vincentown rotary club is hosting it's first annual golf outing in a scramble format. The date is Monday, May 7, 2001 with a shot gun start at 12:00 noon and dinner at 6:00 pm. The site will be the beautiful Medford-Lakes Country Club in Medford Lakes, New Jersey. Cost is \$150.00 per golfer and includes lunch, golf, cart and dinner. Interested golfers can call us at 856-845-5177 and ask for Marie or fax us at 856-845-2473.

Matawan Rotary Club

is sponsoring it's first "SENIORS PROM" on June 1, 6-10. PM (age 60 up, no I.D. required).

Music, dancing, food and fun are planned. Member, Denise Mantel's idea is in full swing and we hope to have about 200 people participate at \$10 each.

We will hold it at the Presbyterian Church hall. Rt. 34, Matawan (across from the Buttonwood Manor Restaurant). Gentlemen (of any age) for dance partners, are welcome. It was the first question asked at Club 60.

If interested contact Barbara Tuttle 732-566-1615.

Matawan Rotary Club, PO Box 25, Matawan, NJ 07747
