

## *What is a District Conference?*

It is a meeting of Rotarians from all of the clubs in District 7500 to get away for:

- **Education**
- **Fun and Fellowship**
- **Sharing Best Practices**

**Rotary Education** will take place in sessions held on Friday afternoon, Saturday morning and Sunday morning. The sessions will cover Rotary service programs such as Polio Plus, Youth Exchange, Group Study Exchange, and the Rotary Foundation. There will be general interest sessions, such as one on *Women in Rotary*.

**Fun and Fellowship** will take place at the House of Friendship all weekend. There will be a relaxed dinner on Friday evening, with the theme of "At the Beach. . .". On Saturday there is a golf outing, a tour of the renowned Dogfish Head Brewery, and shopping at the outlet malls of Rehoboth Beach.

**Sharing Best Practices** is the underlying theme of the weekend. Fellow district Rotarians will give sessions on club service projects, on fund raising projects, on membership and membership retention projects and on fellowship projects. Learn from their successes. The relaxed time in the evenings and during the day provides plenty of opportunity to get together, share your successes, and discuss items of interest with your counterparts. All clubs are invited to bring a display of a club project. These will be shown in a central location to help focus attention on successes throughout District 7500.

*Join us in Rehoboth Beach!*
